VIBROPLEX® CODE WARRIOR

JUNIOR™

Vibroplex is pleased to announce the Code Warrior Junior™, the production version of the NORCAL K8FF KEY! For the first time in our history, Vibroplex is offering QRP Keys in its key line. This key is destined to become the latest Vibroplex collectable!

The Code Warrior Keys are uniquely serial numbered and dated. With a base measuring only 2 1/2" by 3", this small iambic model is a perfect addition to any QRP or home station. The keys have a black powder coated base, clear paddles and magnetic action – NO SPRINGS!. **Only 129,00 €**

The Code Mite – Fit-in-your-palm straight key on 3 in. x 1.5 in. engraved, black plastic base. Chromed upper parts with black knob. Weighs 2.6 ounces. **75,00 €**
